

A GOOD INTERNSHIP IS NEVER HANDS OFF. SHARE YOUR PASSION.

We believe in creating an environment where our interns really can learn by doing and where they are given their own areas of responsibility right from the start of their time with us. That's why our experts will treat you as part of the team from day one, encourage you to bring your own ideas to the table – and give you the opportunity to really show what you can do.

MINI Intern

What awaits you?

As an integrated member of the MINI team, you will be supporting the MINI brand manager and MINI Marketing Coordinator in management of the website of the brand - mini.hu. You will be supporting the organization of events. Through the preparation of presentations and reports and through the administration of sales and marketing processes you will have the opportunity to get an insight how the MINI department works.

What is your professional background?

- University student or fresh graduate in marketing/communications/economics/business administration.
- Affinity for lovebrands and the automotive industry.

What you should bring along?

- Advanced user of MS Office applications.
- Strong written and verbal communication skills both in Hungarian and in English.
- Open, friendly, trustworthy personality.
- Ability to solve problems, attention to details.
- Proactively approaching and communicative personality.
- Ability to listen actively and ask open questions.
- Flexible, mobile spontaneous.

What you can look forward to?

- Good team spirit.
- Hands-on approach.
- Test drives.
- Getting to know to the operation of an international automotive company.
- Participation in events.
- Cafeteria system.
